Product Information

The TidyPen is a strong adhesive cleaning fluid packaged in the convenience of a portable and durable pen. Its powerful chemistry and unique packaging create a quick, easy and versatile cleaning tool. Applications stretch to many industries and cleaning needs, including the removal of labels, tapes, adhesives, bar code labels, conductive glues, chewing gum, tar and tree sap. The TidyPen is frequently used on production lines, benchtop cleaning, tool kits, labs and in everyday settings such as homes and offices.

Only dispensing fluid when pressed down on a cleaning application, the TidyPen fluid is always used effectively with no-waste. The packaging also eliminates issues such as messy applications, spills, odors and fumes.

The TidyPen packaging is produced from aluminum, recyclable materials, making it spill-proof and everlasting.
